In between picking eggs and dusting knickknacks, the Ladies congregate with some of the other characters

Introduction to Bridge

This class is for those who have never played bridge and for those who might have tried it and said I can't pick it up that fast. The class will meet eight times between April 10th and May 30th. The first class will be Wednesday, April 10th at 5:00 PM. This class will meet about 7 more times to learn the basics of the game at a pace that has worked well in previous classes. Why learn to play bridge? Bridge can be a lifelong pursuit. Bridge is one of the best "mind-boosters" because it stimulates both sides of your brain; it is social; it is a bargain (you just need three other people and a deck of cards); and, the most important—**It is fun.**
