ECFE-Christmas Celebration! (Ages 2-5)

The holiday season is just not the same without decorating a Gingerbread house. Children and adults will enjoy creating and decorating a Gingerbread House. There will be other fun activities for you and your child(ren) to do as well. Please bring a container to carry your house home in. Please register each child that will be decorating a house.

Watch our facebook page, flyers , and next brochure for further information!

Has your child been screened?

Early Childhood Screening is a FREE check of:

- * Height and Weight
- * Vision and Hearing
- * Immunization Records
- * Developmental Assessment that include: communication, motor, cognitive and social-emotional skills

Scoring is based on the child's age at the time of the screening, so being older does not give them an advantage.

Early Childhood Screening

Screening is required by state law before kindergarten.

That makes is sound as though, a child should be screened right before kindergarten. NOT SO!

Screening is most valuable for three- four year olds.

If a child's developmental delays are not identified until they are about to enter kindergarten. They have missed out on one-two years of early childhood services that could make a huge difference to their school success!
