

Pollinator Lawns and Turf Alternatives (October 8)

We love our lush green lawns, maybe a bit too much? Join us to learn what else we can plant to benefit the bees and birds, while also keeping some green turf. Small changes can go a long ways towards the environment while saving you time and money. Fall is a great time to prep your yard and switch over to a more pollinator friendly lawn.

Dates: October 8 **Times:** 6:30 PM – 7:30 PM **Class Code:** F1085
Location: Online Zoom Meeting **Registration Deadline:** October 4
Instructor: Sauk River Watershed District **Min:** 5

Fee: \$8
