

Drivers Education Classroom Training

This 30-hour course is a prerequisite to obtaining a Minnesota Driving permit. Students will run through a battery of tests, which will prepare them to take the state offered permit test. Students must have all 30 hours of class attendance. Class limit is first 46 students in with registration & fee. You must include the student's middle name & birth date on registration. **Maximum:** 46

This class will be available in person for students that are attending school in person on those days. For remote learners, this will be available live online. Students must be present either online or in

person for the full 30 hours.

The Project Impact Training Seminar information will be emailed out to parents.

Students should be 15 by July 1st, 2021 to take this session.
