

Bee Lawns April 6

We love our lush green lawns, maybe a bit too much? Join us to learn what else we can plant to benefit the bees and birds, while also keeping some green turf. We will discuss lawn alternatives that are more environmentally friendly that will keep your backyard buzzing. Small changes can go a long way towards the environment while saving you time and money. Participants will receive an informational folder full of great publications, and several door prizes will be given away from local plant specialists.

Location: Online Zoom Meeting **Registration Deadline:** April 4
Instructor: Sauk River Watershed District **Min:** 5

Fee: \$8

Shoreline Restoration and Maintenance April 8

Are you losing ground? Is your shoreline eroding, unsightly or seem to be a goose magnet? Did the excessive rains last year take a toll? Is the ice pushing up a new ridge every year? Learn how to improve water quality, reduce erosion and beautify your property using native plants, simple installation techniques and smart planning for easier long-term maintenance. There will be a wide variety of information and brochures for participants, as well as several gift packages given as door prizes.

Date: April 8 **Times:** 6:30 PM – 7:30 PM **Class Code:** SP1096
Location: Online Zoom Meeting **Registration Deadline:** April 4
Instructor: Sauk River Watershed District **Min:** 5
