**Location:** Online Zoom Meeting                    **Registration Deadline:** April 18  
**Instructor:** Sauk River Watershed District                    **Min:** 5

## **Spring Lawn Care April 27**

Once the snow melts, let's get that lawn perked up and growing! When to dethatch, fertilize, seed, and treat those pesky weeds will be discussed, plus a ton more. Learn some simple tips and techniques that can help you get the best performance out of your yard while saving some cash and preventing pollution. Participants will receive an informational folder full of great publications, and several door prizes will be given away from local plant specialists.

**Date:** April 27                    **Times:** 6:30 PM – 7:30 PM            **Class Code:** SP1099                    **Fee:** \$8  
**Location:** Online Zoom Meeting                    **Registration Deadline:** April 25  
**Instructor:** Sauk River Watershed District                    **Min:** 5

## **Native Plants for Small Spaces and Containers April 29**

Small spaces don't need to limit your gardening possibilities! Do you have small garden space, patio, or containers and you want to add color, texture, and plants? Don't overlook using native plants that can attract the birds, bees, and butterflies. We will look at using some of the smaller and better behaved native perennials to your garden spaces. Participants will receive a free native plant book and there will be several gift certificates from local nurseries given away as door prizes.

**Date:** April 29                    **Times:** 6:30 PM – 7:30 PM            **Class Code:** SP1100                    **Fee:** \$8  
**Location:** Online Zoom Meeting                    **Registration Deadline:** April 25  
**Instructor:** Sauk River Watershed District                    **Min:** 5
