## Learn to Dance

NOW is the time to seize some fun and connect while exercising Body, Mind & Soul. During this two part class you will learn how to simply step to the beat while doing some swing dance moves. These ultra simple moves can be done anywhere from your kitchen floor to social dancing at weddings and parties. The music will be from the 60's all the way to present day. (The second class will have a short review time and then will build on what we have already learned.)
