<p>Robotics Battle Drones Entering 3rd through exiting 8th grade</p>	<p>For students entering 3rd grade through exiting 8th grade. Battle Drones features an exciting combination of aerial acrobatics with an engineering design challenge that will teach students STEM concepts, teamwork, and how to skillfully fly a drone. In Battle Drones, teams of students will build robotic launchers designed to fling projectiles at their opponents' drones. Students will be guided by experienced camp instructors in how to construct their launchers to maximize projectile speed and accuracy. The camp will culminate in an epic battle where students will need to pilot their drones to safety by dodging opponent projectiles while using their own launchers to take down opponent drones. The best drone pilots and launchers will emerge victorious!</p>	<p>June 10th, 11th & 12th 9:00am- 12:00pm EVWHS Door 1 Room 211 Media Center \$85</p>
